

How to get to Braighebhaile

How to get to us is simple. Once you've crossed the Skye Bridge take the 3rd exit onto the A87 signposted Portree (32 miles). At Portree, take the A87 signposted Dunvegan out of town. Travel about 4 miles to where the road branches left (signposted Dunvegan) onto the A850. Follow the road through the villages of Skeabost and Bernisdale and you'll find us about 6 miles from where you joined the A850. You'll see a road up beside the Riding Stables. Follow this as far you can and you've arrived.
